APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This Permit is issued subject to all prior rights on the

source. A substantial headgate and weir must be installed and maintained at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.4 cubic feet per second.

Actual construction work shall begin on or before Jan. 1, 1930

Proof of commencement of work shall be filed before Feb. 1, 1930

Work must be prosecuted with reasonable diligence and be completed on or before Jan. 1, 1934

Proof of completion of work shall be filed before Feb. 1, 1934

Application of water to beneficial use shall be made on or before Jan. 1, 1936. Proof of the application of water to beneficial

use must be filed with State Engineer on or before Feb. 1, 1936

For cause NOV 16 1940 because of failure of applicant to comply with the provisions of permit

Witness my hand and seal this 23 day

of August 1929
